

LCP ACTION PLAN

to design a concrete action

NAME/ SCHOOL DATE

SPECIFIC OBJECTIVE

Which concrete challenge do we choose to tackle?

COMMUNITY

Who in our community can help?
How are we going to approach them?

COMMUNICATION

Who needs to be informed about our action?
How will we approach and engage them?

ACTION

What action(s) are we going to undertake?

PLANNING & REVIEW

How will we keep track of tasks and record our actions?

TEAM

Who will be in our core team?
Who will lead our team and take responsibility for our project?

TIMING

When will our action take place?
How does timing affect participation?

RESOURCES

What resources will we need?
Who do we need to ask?

LOCATION

Where will our action take place?
Will we need one location or several?

CONTIGENCIES

How can we overcome or reduce the threats to our project?

EVALUATION

What are the indicators of success?
How will we collect the necessary data?
