

LCP STRATEGY Canvas

to define strategic framework for a *Learning Community for Peace*

NAME/ SCHOOL DATE

For us, building a Learning Community for Peace means:

DESIRED OBJECTIVES

What do we want to achieve exactly?

CAPACITIES [+]

What are the key opportunities available within our school community?
What resources do we currently have to complete the project?

VISION

What is the optimal desired future that inspires us?

CHALLENGES [-]

What are the key challenges and limitations faced by our School Community?
What are the factors that can threaten our project?

VALUES

What are the values that shape our vision?

ETHICAL ISSUES

Which ethical issues do we need to take into consideration?

REFLECTION

How will we critically reflect on our process?
Who can provide critical feedback during the process?
